

PSR/RCIA ENROLLMENT & PARTICIPATION

St. Rita Parish exists to worship God, celebrate the sacraments, and for the Christian formation of our parishioners and all of God's children. All our programs support this. If someone is in sports but not in a Christian formation program then we are failing in our primary goal. We are responsible to care for the entire person. We would be doing a disservice to all if we focused only on the physical and neglected the spiritual. It has been our consistent message that Confirmation is a sacrament of initiation not completion.

Students are required to provide verification from their Parish Director or designee attesting that they are fully completing all the requirements of their Parish's religious education program. Summer programs that are offered by many Parishes' are beneficial but do not replace year round formation. Summer programs/camps assume year round formation such as participation in PSR/Faith formation programs*.

Student participation in St. Rita Athletic programs is contingent upon Day School or PSR/Faith formation* enrollment and continued active participation.
